

Spring Branch Parents

Spring Branch ISD will be providing families with STAAR and other state test results electronically utilizing the Texas Assessment Student Portal. The Student Portal provides students and parents with online access to a student's state assessment scores. This includes STAAR grades 3–8, STAAR End-of-Course, TELPAS (Texas English Language Proficiency Assessment System), and TAKS.

Student test results in the Student Portal are available through a Unique Access Code and the student's date of birth. Your child's Unique Access Code is available to families through your student's Skyward (Family Access) account.

To find your child's Unique Access Code and the link to the Student Portal in Skyward:

1. Login onto [Skyward \(Family Access\)](https://cms.springbranchisd.com/familyaccess/) (link can be found under *For Parents* or on each campus website – <https://cms.springbranchisd.com/familyaccess/>) and select the *Online Forms* tab located on the left-hand side
2. Click on *Fill Out Form* link to open the online form
3. The form will automatically open when you click on *Fill Out Form*. (If you see a button, *Complete Step 1 Only*, do **not** click on it.)
4. STAAR Unique Access Code and Student DOB (date of birth) are provided on the form
5. Use the link to visit [Parent portal](#) and enter the provided STAAR Unique Access Code and date of birth to view all of your student's STAAR results

Student Portal Login: <https://txparentportal.emetric.net/login?returnUrl=/list>

For more information about the Student Portal, see the Student Portal Help Guide at: <https://txparentportal.emetric.net/static/images/content/help/help.pdf>

Upcoming Results

- *Grades 5 and 8 STAAR Reading and Math — week of April 18*
- *TELPAS grades K–12 — week of May 1*
